

Constant Contact Survey Results

Survey Name: HIS Survey

Response Status: Partial & Completed

Filter: None

Sep 10, 2010 3:04:32 PM

TextBlock:

Please take 2 minutes to answer at least four multiple choice questions...5 clicks and you are done. This survey will expire next Thursday Sept 9, so please do it now. Hospitals have been required to begin meeting health information systems (HIS) functionality regulations (Meaningful Use) and Nursinghomes are to be included later. While it all still remains to be seen, HCCI is interested in assessing our readiness to meet possible HIS regulations for Nursinghomes. Thank You

* Besides your MDS system and eHDS (or another MDS analysis system), do you have any other clinical software or systems in use (or currently in the process of purchasing / implementing one)?

Answer	0%	100%	Number of Response(s)	Response Ratio
YES			33	41.2 %
